# PETER LEE'S CYCLE RIDE FOR FAB

Friends & Bredrins
Prostate Cancer Support Group

On 1st July I shall be riding a stage of the tour de France for the FAB cancer group. The ride is 190 kilometres long (118 miles) and is the same distance that the pros will ride the next day. As there is no Nottingham bike ride this year I am using to raise funds for FAB and hope that you and all your contacts, who might otherwise have contributed to sponsoring the Nottingham bike ride, will sponsor this ride.

Thank you Peter Lee
